The Buildings and Grounds Department for Dexter Community Schools is proud to maintain over 100 acres of land and our six school buildings, Copeland Administration Building, and our transportation facility. Questions or inquiries related to the Buildings and Grounds Department should be directed to Dave LaFerle, Director of Buildings and Grounds at (734) 424-4100 ext. 1201.

School employees who need to request work to be done should log the work onto schooldude. A link can be found under staff resources on the web page.
