

# Steering Committee Meeting Report

Special Meeting regarding Athletic Field Irrigation

**Date:** September 1, 2009  
**Project:** 2008 Dexter Community Schools Bond  
**Owner:** Dexter Community Schools  
**A/E#:** 2466.39 PF      **CM Project#:** 08222-00  
**Location:** Copeland Administration Bldg.      **Time:** 5:30 p.m.

<b>Attendees:</b>	<b>Representing:</b>
Larry Cobler	DCS/Board President
Ron Darr	DCS/Board Trustee
Dick Lundy	DCS/Board Treasurer
Rob Glass	DCS/Superintendent *
Greg Brand	Granger Construction

\*Attended via conference call

**Meeting Purpose:** The meeting was called to discuss the inclusion of irrigation in the contract recommendation for the athletic fields contract award

**Discussion:** *The following represents our understanding of the information presented and decisions accepted during the above dated meeting. All additions, corrections and clarifications are to be submitted to Granger within five (5) days of receipt.*

1. Granger presented the final pricing for the irrigation work at the 8 athletic fields described in the bond application. The total amount for this work is \$108,050, not including the required water source at Mill Creek.
2. The committee requested that Granger get pricing for the installation of a well and necessary electric service at Mill Creek.
3. The committee discussed whether irrigation should be added to the base bid topdressing and restoration. It was noted that now is the best time to provide irrigation, as installing it at a later date would damage the newly repaired fields. It was further noted that irrigation was part of the intent of the bond for these fields, and that without irrigation it would be a large operational cost to maintain the fields. Granger will recommend the irrigation to the full Board of Education.

Respectfully submitted,  
GRANGER CONSTRUCTION
