| Sandra Darr | 734.426-7963 | I am available for tutoring 7th and 8th grade students after school and evenings. My specialty is mathematics, but I can help students with homework support and organization in other subjects. My experience includes tutoring one on one as a private tutor as well as an instructor at Sylvan Learning Center in Ann Arbor. I hold a degree in math education and have classroom teaching experience. I hold a valid Michigan Teaching Certificate. I am happy to talk to any parent about their child's needs. My two sons are in Dexter Community Schools - one at Mill Creek and the other at the high school. | \$35 / hr |

| | | <p>Spectrum. I hope that it might be helpful.</p> <p>Thanks, Sue Stalker Extension 2102</p> <p>HI, Sue, One of Sylvia's friends, Josh McDaniel, has recently come to town, and is looking for tutoring work. He has good experience with kids on the spectrum, and has worked in schools and camps, as well as one-on-one tutoring. Syl thinks highly of his work with kids with autism. So, just in case any one asks you for a referral, here's a name and a number 717-658-7769. Thanks, Janet</p> | |

I can do writing as well, although I've rarely had students interested in tutoring for that. Also I can help on all of the sections on the ACT and SAT. Although I definitely have mixed feelings about the tests themselves, I like tutoring them -- typically the ACT/SAT students I get are great to work with (motivated, etc.)."</i></p> | <p>\$50/hr</p> |
