October 30, 2020

Dear Dexter Fans and Students,

We are excited to be able to host MHSAA and MHSFHA play-off contests over the next few weeks and days. It is a great accomplishment for our teams and our athletic department.

Our expectations have not changed. We will ask all spectators to follow proper physical distancing protocols. **There is NO STUDENT SECTION.** Students will maintain their proper distancing while attending events. We will require all spectators to wear masks covering their mouth and nose while attending our events. Failure to meet both mask and physical distancing requirements may result in uncooperative fans being removed from the game.

Our athletes and coaches have worked hard to maintain the health and safety of their teams. We ask for your help in continuing to keep them safe by following Washtenaw County Health Department requirements with regards to COVID-19.

Again, we are very excited to host these events. It says a lot about our student-athletes and our commitment to keeping our community safe and healthy.

Please help us do our part and cheer our teams on to victory!

Hold Fast, Stay True,

Mike Bavineau
