

Dexter Community Schools – Single Sign on Parent Guide

Dear Parents,

Please read this important information so you can access your students PowerSchool information. During the summer we are upgrading to the newest version of PowerSchool so parents/guardians will now have the ability to create an account that will allow you to access all your students from a SINGLE LOGIN. You will also be able to create your own User Names and Passwords.

You will need to go to the PowerSchool login page:
<https://ps.dexterschools.org> or click onto the PowerSchool link on the schools website. You will see the following screen:

1. Click the Create Account button

If Parent/Guardians share the same account, ONLY ONE Parent/Guardian may access the account at a time.

Do not set your browser to save passwords to this site. It will cause your password to appear not to work!

After successfully logging in, you will see a series of tabs under the PowerSchool logo listing your student family members.

- Select the appropriate name to change the page to that student's information.

What if you forget your login information?

On the login page click on Having Trouble Logging in?

If you forgot your Password:

- Fill in your User Name
- Fill in your E-Mail Address
- Hit Enter

The system will authenticate your information and send you a Security Token with instructions on how to re-set your Password to the E-Mail address listed.

It is important to note that the Security Token sent is only good for 30 minutes. If the Parent/Guardian fails to re-set the Password in that allotted time, you will need to repeat the process.

If you forgot your User Name:

- Click on the Forgot User Name tab
- Enter your E-Mail Address
- Hit Enter

The system will authenticate your information and send you an E-Mail listing your User Name.
