How to Pay Athletics Participation Fees – Spring 2020

Once tryouts have concluded, school sports participants must meet district pay-to-participate requirements. All participation fee payments can be made online through Community Education, or in person at the DHS Athletic Office.

High School Athletic Fees are as follows: 1st sport: $250; 2nd sport: $150; 3rd sport: $100. Fees are per student, per season school year. There is currently a family cap of $700 per year.

Athletic Scholarships are available on a season-by-season basis. Please apply for scholarship funds as early as possible. Return the Athletic Scholarship Application to the DHS Athletic offices.
