**REVISED BYLAW 0143.1 - VOL. 32, NO. 2 – FEBRUARY 2018**

0143.1           **Public Expression of Board Members**

The Board President functions as the official spokesperson for the Board.

From time-to-time, however, individual Board members make public statements on school matters:

- A.     to local media;
- B.     to local officials and/or State officials.

Sometimes the statements imply, or the readers (listeners) infer, that the opinions expressed or statements made are the official positions of the Board. The misunderstandings that can result from these incidents can embarrass both the member and the Board. Therefore, Board members should, when writing or speaking on school matters to the media, legislators, and other officials, make it clear that their views do not necessarily reflect the views of the Board or of their colleagues on the Board.

- A.     This bylaw shall apply to all statements and/or writings by individual Board members not explicitly sanctioned by a majority of its members, except as follows:
  - 1.     correspondence, such as legislative proposals, when the Board member has received official guidance from the Board on the matters discussed in the letter
  - 2.     routine, not for publication, correspondence of the Superintendent and other Board employees
  - 3.     routine "thank you" letters of the Board
  - 4.     statements by Board members on nonschool matters (providing the statements do not identify the author as a member of the Board)
  - 5.     personal statements not intended for publication

- B. Copies of this bylaw shall be sent annually to local media by the Board President.

**[OPTIONAL LANGUAGE]**

- A Board member's personal or private use of social media may have unintended, negative consequences to the Board member and/or the District, including possible violations of the Open Meetings Act and issues relating to creation of a public record. Postings to social media should be done in a manner sensitive to the Board member's responsibilities, applicable District policies, and legal obligations.

**[END OPTIONAL LANGUAGE]**

**REVISED POLICY - VOL. 32, NO. 2 – FEBRUARY 2018**

**CRIMINAL HISTORY RECORD CHECK**

Before the District hires any employee (full or part-time) or allows any individual under contract to continuously and regularly work in the schools, a criminal history records check shall be conducted in accordance with State law.

"Under contract" shall apply to individuals, as well as owners and employees of entities, who contract directly with the District or with a third party vendor, management company, or similar contracting entity to provide food, custodial, transportation, counseling or administrative services on more than an intermittent or sporadic basis. It shall also apply to individuals or entities providing instructional services to students or related auxiliary services to special education students.

Prior to allowing an individual, who is subject to the criminal history record check requirement, to work in the District, the District shall submit a fingerprint-based check on the individual, using Michigan State Police (MSP) Form RI-030 (7/2012), regardless of whether the individual will work directly for the District or be contracted through a third-party vendor, management company or similar contracting entity ("Private Contractors"). Except as provided below, the report from the MSP must be received, reviewed and approved by the District prior to the individual commencing work.

Such Private Contractors cannot receive or retain criminal history record information ("CHRI").<sup>1</sup> Where the District will contract with a Private Contractor for the services of an individual, the District will notify the Private Contractor(s), after review of the MSP report, whether the individual has been approved to work within the District. The District may not give any details, including the fact that a criminal history check was run. Notice for approval to work in the District should use the Affidavit of Assignment or similar "red light/green light" procedure.

Should it be necessary to employ a person or contract for a person to maintain continuity of the program prior to receipt of the criminal history report, the Superintendent may contract on a provisional basis until the report is received. Any such provisional hire requires that:

- A. the record check has been requested;
- B. the applicant has signed a disclosure of all convictions and acknowledges that employment may be terminated if there are discrepancies; and
- C. the hiring occurs during the school year or not more than thirty (30) days before the beginning of the school year.

Individuals working in multiple districts may authorize the release of a prior criminal history records check with another district in lieu of an additional check for either direct employment or working regularly and consistently under contract in the schools.

Individuals who previously received a statutorily required criminal background check and who have been continuously employed by a school district, intermediate school district, public school academy or non-public school within the State, with no separation, may have their previous record check sent to the District in lieu of submitting to a new criminal background check. If this method is used, the Superintendent must confirm that the record belongs to that individual and whether there have been any additional convictions by processing the individual's name, sex and date of birth through the Internet Criminal History Access Tool (ICHAT).

"No separation," for purposes of the preceding paragraph, means a lay off or leave of absence of less than twelve (12) months with the same employer; or the employee transfers without a break in service to another school district, intermediate school district, public school academy or non-public school within the State.

All CHRI received from the State Police or produced by the State Police and received by the District from another proper source, will be maintained pursuant to Policy 8321.

When the District receives a report that shows an individual has been convicted of a listed offense under State statutes or any felony, the Superintendent shall take steps to verify that information using public records, in accordance with the procedures provided by the State Department of Education.

Verified convictions may result in termination of employment or rejection of an application. The District will not hire or continue to employ any individual, either directly or as a contracted employee to work regularly and continuously in the schools, who has been convicted of a "listed" offense as defined in M.C.L. 28.722. The District will not hire or continue to employ any individual, either directly or as a contracted employee to work regularly and continuously in the schools, who has been convicted of any felony unless both the Superintendent and the Board provide written approval.

The District must report as directed by and to the State Department of Education the verified information regarding conviction for any listed offense or conviction for any felony and the action taken by the District with regard to such conviction. Such report shall be filed within sixty (60) days of receipt of the original report of the conviction.

All information and records obtained from such criminal background inquiries and disclosures are to be considered confidential and shall not be released or disseminated to those who have not been given access to CHRI by the Superintendent. Violation of confidentiality is considered a misdemeanor punishable by a fine up to \$10,000.

Any notification received from the Michigan Department of Education or Michigan State Police regarding District employees with criminal convictions shall be exempt from disclosure under the Freedom of Information Act (FOIA) for the first fifteen (15) days until the accuracy of the information can be verified. Thereafter, only information about felony convictions or misdemeanor convictions involving physical or sexual abuse may be disclosed in reference to a FOIA request.

CHRI may be released with the written authorization of the individual.

**REVISED POLICY - VOL. 32, NO. 2 – FEBRUARY 2018**

**CONTROLLED SUBSTANCE AND ALCOHOL POLICY FOR  
COMMERCIAL MOTOR VEHICLE (CMV) DRIVERS AND OTHER EMPLOYEES  
WHO PERFORM SAFETY SENSITIVE FUNCTIONS**

Purpose

The Board of Education believes that the safety of students while being transported to and from school or school activities is of utmost importance and is the primary responsibility of the driver of the school vehicle. To fulfill such a responsibility, each driver, as well as others who perform safety-sensitive functions with District vehicles (collectively "Covered Employees"), must be mentally and physically alert at all times while on duty.

To that end, the Board has established this policy, which includes an alcohol and controlled substances testing program. The Board also expects all Covered Employees to comply with Board Policy 4122.01 on Drug Free Workplace which prohibits the possession, use, sale, or distribution of alcohol and any controlled substance on school property at all times.

Further, the Board concurs with the Federal requirement that all Covered Employees should be free of any influence of alcohol or controlled substance while on duty. Therefore, participation in the alcohol and controlled substances testing program is a condition of employment for all Covered Employees.

Definitions

For purposes of this policy and the guidelines associated with the policy, the following definitions shall apply.

- A. The term *alcohol* means the intoxicating agent in beverage alcohol, ethyl alcohol or other low molecular weight alcohols, including methyl or isopropyl alcohol.
- B. The term *illegal drug* means drugs and controlled substances, the possession or use of which is unlawful, pursuant to Federal, State, and/or local laws and regulations.
- C. The term *controlled substance* includes any illegal drug and any drug that is being used illegally, such as a prescription drug that was not legally obtained or not used for its intended purposes or in its prescribed quantity. The term does not include any legally-obtained prescription drug used for its intended purpose in its prescribed quantity unless such use would impair the individual's ability to safely perform safety-sensitive functions.
- D. The term *controlled substance abuse* includes excessive use of alcohol as well as prescribed drugs not being used for prescribed purposes, in a prescribed manner, or in the prescribed quantity.
- E. The term *safety-sensitive functions* includes all tasks associated with the operation and maintenance of District owned and/or operated vehicles. This term further includes any period in which an individual is actually performing, ready to perform, or immediately available to perform any safety-sensitive function.

- F. The term Covered Employee means all commercial driver license (CDL) holders and regular and substitute bus drivers as well as other staff who operate, inspect, service and condition a commercial motor vehicle (CMV) while on duty, regardless of whether they are required to hold a CDL.
- [ ] This policy also covers other staff members who drive students in or inspect, service, and condition non-CMV District vehicles.
- G. The term *while on duty* means all time from the time the Covered Employee begins to work or is required to be in readiness for work until the time s/he is relieved from work and all responsibility for performing work.

Procedures

The Superintendent shall establish a drug and alcohol testing program whereby each Covered Employee is tested for the presence of alcohol in his/her system as well as for the presence of the following controlled substances:

- A. Marijuana
- B. Cocaine
- C. Opioid
- D. Amphetamines
- E. Phencyclidine (PCP)

The Board of Education establishes the following policy for determining eligibility to attend the schools of this District.

- A. The Board will educate, tuition-free, students who are legal residents of the District, regardless of their citizenship or immigration status. The Board shall meaningfully communicate material information about enrollment requirements and procedures with parents, including parents who have limited proficiency in English. Access to information regarding enrollment requirements and procedures shall be available on the District's web site. Proof of residency will be required for registration in the District. Legal residency means a student is residing with his/her parents, legal guardians, or a resident relative with power of attorney over the student. A student may attend school in this District tuition-free if a parent or legal guardian is a legal resident of the District, regardless of whether the parent or legal guardian has actual custody of the student. Legal residency, when living with a relative, must be based on the need for a suitable home and not for educational purposes.

If the student temporarily resides in another school district but attends school in this District (where one (1) parent resides), it is the obligation of the parents to provide transportation for the student from the home of the nonresident, custodial parent.

- B. The District shall provide a free education to those students who are considered by Federal law to be illegal aliens or considered to be homeless by State established criteria.
- C. A student who is a resident within the District by order of a juvenile or probate court or placed in the District as a ward of the State by an authorized agency shall be admitted tuition-free.
- D. Any student who enrolls in the District under the District's schools of choice program.

- E. A child who is placed in foster care by a court of competent jurisdiction shall be admitted tuition-free, without regard to residency, to a school within the District, as selected by the State Department of Human Services or the child placing agency responsible for placement of that child.
- (x) Foreign students, participating in a bona fide, foreign-exchange program and living with a resident host family, may attend school in the District.
- (x) Students whose parents do not reside within the District, but who present evidence that they will move into the District within a short period of time may enroll in the schools of this District.
- (x) Twelfth grade students who have begun their work toward graduation from the District's high school and whose parents no longer reside within the District may be permitted to complete their high school education in the District.
- (x) A resident student, otherwise eligible to attend school in the District, may be denied admission if s/he has a record of behavior that the Superintendent believes would constitute a threat to the safety and well-being of staff and other students.
- (x) A nonresident student placed with the District for educational reasons by a juvenile or probate court order shall be admitted tuition-free.
- ( ) Students enrolled in the special education program of this District whose parents do not reside within the District may attend as tuition students.
- ( ) Nonresidents may be accepted into the District's Adult Education Classes upon payment of the appropriate fees.
- ( ) Nonresident students may be accepted into the District's Summer School Program.

- (x) A student who is the child of a person who is employed by the District, including an adopted child or legal ward.

**REVISED POLICY - VOL. 32, NO. 2 – FEBRUARY 2018**

**CRIMINAL JUSTICE INFORMATION SECURITY**  
**(NON-CRIMINAL JUSTICE AGENCY)**

The District is required by State law to have the Michigan State Police (MSP) obtain both a State and a Federal Bureau of Investigation (FBI) criminal history record information (CHRI) background check report for all employees of the District and contractors, vendors and their employees who work on a regular and continuous basis in the District. To assure the security, confidentiality, and integrity of the CHRI background check information received from the MSP/FBI, the following standards are established:

A. Sanctions for Non-Compliance

Employees who fail to comply with this policy and any guidelines issued to implement this policy will be subject to discipline for such violations. Discipline will range from counseling and retraining to discharge, based on the nature and severity of the violation. All violations will be recorded in writing, with the corrective action taken. The Superintendent shall review, approve, sign and date all such corrective actions.

B. Local Agency Security Officer (LASO)

The **Executive Director of Human Resources** shall be designated as the District's Security Officer ("LASO") and shall be responsible for overall implementation of this policy and for data and system security. This shall include:

1. ensuring that personnel security screening procedures are being followed as set forth in this policy;
2. ensuring that approved and appropriate security measures are in place and working as expected;
3. supporting policy compliance and instituting the incident response reporting procedures;

4. ensuring that the Michigan State Police are promptly informed of any security incidents involving the abuse or breach of the system and/or access to criminal justice information;
5. to the extent applicable, identifying and documenting how District equipment is connected to the Michigan State Police system;
6. to the extent applicable, identifying who is using the Michigan State Police approved hardware, software and firmware, and ensuring that no unauthorized individuals have access to these items.

The District's LASO shall be the point of contract for the Michigan State Police and should be the person most knowledgeable about this policy. The District's LASO shall be designated on the appropriate form as prescribed and maintained by the Michigan State Police. A new form shall be submitted every time a new LASO is designated.

C. Agency User Agreements

The District shall enter into any required User Agreement for Release of CHRI ("User Agreement"), and future amendments, by the Michigan State Police necessary to access the required CHRI on applicants, volunteers, and all other statutorily required individuals, such as contractors and vendors and their employees assigned to the District. The LASO shall be responsible for the District's compliance with the terms of any such User Agreement.

D. Personnel Security

All individuals that require access to any criminal justice information shall be subject to the following standards prior to granting of access:

1. Background Checks - A Michigan (or state of residency if other than Michigan) and a national fingerprint-based criminal history record check shall be conducted within thirty (30) days of assignment to a position with direct access to criminal justice information or with direct responsibility to configure and maintain computer systems and networks with direct access to criminal justice information. Background re-checks should be conducted every five (5) years.
  - a. A felony conviction of any kind will disqualify an individual for access to criminal justice information.
  - b. If any other results/records are returned, the individual shall not be granted access until the LASO reviews and determines access is appropriate. This includes, but is not limited to, any record which indicates the individual may be a fugitive or shows arrests without convictions. Such approval shall be recorded in writing, signed, dated and maintained with the individual's file.

- c. If support personnel, contractors or custodial workers need to be in an area where CHRI is maintained or processed, they shall be escorted by or under the supervision of authorized personnel at all times while in those area. Information Technology contractors or vendors will be physically or virtually escorted by authorized personnel anytime said individual have access to facilities, areas, rooms, or an agency's CHRI information system.
2. Subsequent Arrest/Conviction - If an individual granted access to criminal justice information is subsequently arrested and/or convicted, access shall be suspended immediately until the matter is reviewed by the LASO to determine if continued access is appropriate. Such determination shall be recorded in writing, signed, dated and maintained with the individual's file. In the event that the LASO has the arrest/conviction, the Superintendent (if not the designated LASO) shall make the determination. If the Superintendent is also the designated LASO, the determination shall be made by Executive Director of Human Resources. Except that, as noted in D(1)(a), individuals with a felony conviction of any kind will have their access indefinitely suspended.

3. Public Interest Denial - If the LASO determines that access to criminal justice information by any individual would not be in the public interest, access shall be denied whether that person is seeking access or has previously been granted access. Such decision and reasons shall be in writing, signed, dated and maintained in the individual's file.
4. Approval for Access - All requests for access to criminal justice information shall be as specified and approved by the LASO. Any such designee must be a direct employee of the District. The District must maintain a readily accessible list that includes the names of all LASO approved personnel with access to criminal justice information, as well as the reason for providing each individual access. This list shall be made available to Michigan State Police upon request.
5. Termination of Employment/Access - Within twenty-four (24) hours of the termination of employment, all access to criminal justice information shall be terminated immediately for that individual, such as requiring the individual to return any keys or access cards to buildings, offices, and/or files, or closing the individual's account and/or blocking access to any systems containing such information at the District.
6. Transfer/Re-assignment - When an individual who has been granted access to criminal justice information has been transferred or re-assigned to other duties, the LASO shall determine whether continued access is necessary and appropriate. If not, s/he shall take such steps as necessary to block further access to such information within the twenty-four (24) hour period immediately following the transfer or reassignment.

7. Information Technology Contractors and Vendors<sup>1</sup> – Prior to granting access to criminal justice information to an IT contractor or vendor, identification must be verified via a Michigan (or state of residency if other than Michigan) and national fingerprint-based criminal history record check. A felony conviction of any kind, as well as any outstanding arrest warrant, will disqualify an IT contractor or vendor for access to criminal justice information. A contractor or vendor with a criminal record of any other kind may be granted access if the LASO determines the nature or severity of the misdemeanor offense(s) does not warrant disqualification. If any other results/records are returned, the individual shall not be granted access until the LASO reviews and determines access is appropriate.

E. Media Protection

Access to digital and physical media in all forms, which contains criminal history background information provided by the Michigan State Police through the statutory record check process, is restricted to authorized individuals only. Only individuals involved in the hiring determination of both District employees and volunteers shall be authorized to access digital and physical media containing CHRI.

1. Media Storage and Access – All digital and physical media shall be stored in a physically secure location or controlled area, such as locked office, locked cabinet or other similarly secure area(s) which can only be accessed by authorized individuals. If such security cannot be reasonably provided, then all digital CHRI background data shall be encrypted. Digital media shall be stored on a District or School server. Storage on a third party server, such as cloud service, is not permitted. Storage of digital media must conform to the requirements in AG 8321.

2. Media Transport – Digital and physical media shall only be transported upon sufficient justification approved by the LASO. Digital and physical media shall be protected when being transported outside of a controlled area. Only authorized individuals shall transport the media. Physical media (e.g. printed documents, printed imagery, etc.) shall be transported using a locked container, sealed envelope, or other similarly secure measure. To the extent possible, digital media (e.g., hard drives and removable storage devices such as disks, tapes, flash drives and memory cards) shall be either encrypted and/or be password protected during the transport process. The media shall be directly delivered to the intended person or destination and shall remain in the physical control and custody of the authorized individual at all times during transport. Access shall only be allowed to an authorized individual.

3. Media Disposal/Sanitization – When the CHRI background check is no longer needed, the media upon which it is stored shall either be destroyed or sanitized. The LASO and the Superintendent shall approve in writing the media to be affected. This record shall be maintained by the LASO during the individual’s active employment plus an additional six (6) years. **[Note: the regulations do not specify a specific period for maintaining this information. This time period is suggested based on the State of Michigan’s background information retention schedule and will likely cover most statutes of limitation and can be retained in digital format.]**
  - a. Digital Media - Sanitization of the media and deletion of the data shall be accomplished by either overwriting at least three (3) times or by degaussing, prior to disposal or reuse of the media. If the media is inoperable or will not be reused, it shall be destroyed by shredding, cutting, or other suitable method to assure that any data will not be retrievable.
  - b. Physical Media – Disposal of documents, images or other type of physical record of the criminal history information shall be cross-cut shredded or incinerated. Physical security of the documents and their information shall be maintained during the process by authorized individuals. Documents may not be placed in a waste basket or burn bag for unauthorized individuals to later collect and dispose of.

All disposal/sanitization shall be either conducted or witnessed by authorized personnel to assure that there is no misappropriation of, or unauthorized access to, the data to be deleted. Written documentation of the steps taken to sanitize or destroy the media shall be maintained for ten (10) years, and must include the date as well as the signatures of the person(s) performing and/or witnessing the process. (See also, AG 8321.)

4. Personal Mobile Devices – A personally owned mobile device (mobile phone, tablet, laptop, etc.) shall not be authorized to access, process, store or transmit criminal justice information unless the District has established and documented the specific terms and conditions for personally owned mobile devices.

F. CHRI Background Check Consent and Documentation

All individuals requested to complete a fingerprint-based CHRI background check must have given written consent—properly signed and dated—at time of application and be notified fingerprints will be used to check the criminal history records of the FBI, prior to completing a fingerprint-based CHRI background check. The most current and unaltered Livescan form (RI-030) will satisfy this requirement and must be retained. Individuals subject to a fingerprint-based CHRI background check shall be provided the opportunity to complete or challenge the accuracy of the individual's criminal history record.

Some type of documentation identifying the position for which a fingerprint-based CHRI background check has been obtained must be retained for every CHRI background check conducted, such as the "Agency User Agreement" (RI-087), an offer letter, employment agreement, new hire checklist, employment contract, volunteer background check form, etc.

G. Controlled Area/Physical Protection

All CHRI obtained from the Michigan State Police pursuant to the statutorily required background checks shall be maintained in a physically secure and controlled area, which shall be a designated office, room, or area. The following security precautions will apply to the controlled area:

1. Limited unauthorized personnel access to the area during times that criminal justice information is being processed or viewed.
2. The controlled area shall be locked at all times when not in use or attended by an authorized individual.
3. Information systems devices (e.g., computer screens) and physical documents, when in use, shall be positioned to prevent unauthorized individuals from being able to access or view them.
4. Encryption shall be used for digital storage of criminal justice information. (See AG 8321)

H. Passwords (Standard Authentication)<sup>2</sup>

All authorized individuals with access to computer or systems where processing is conducted or containing criminal justice information must have a unique password to gain access. This password shall not be used for any other account to which the individual has access and shall comply with the following attributes and standards.

1. at least eight (8) characters long on all systems
2. not be a proper name or a word found in the dictionary
3. not be the same as the user identification
4. not be displayed when entered into the system (must use feature to hide password as typed)
5. not be transmitted in the clear outside of the secure location used for criminal justice information storage and retrieval
6. must expire and be changed every ninety (90) days
7. renewed password cannot be the same as any prior ten (10) passwords used (See also, AG 8321)

I. Security Awareness Training

All individuals who are authorized by the District to have access to criminal justice information or to systems which store criminal justice information shall have basic security awareness training within six (6) months of initial assignment/authorization and every two (2) years thereafter. The training shall, to the extent possible, be received through a program approved by the Michigan State Police. A template of the training is provided on the Michigan State Police's website. At a minimum, the training shall comply with the standards established by the U.S. Department of Justice and Federal Bureau of Investigation for Criminal Justice Information Services. (See AG 8321.) A record shall be kept current of all individuals who have completed the security awareness training.

J. Secondary Dissemination of Information

If criminal history background information received from the Michigan State Police is released to another authorized agency under the sharing provision designated by The Revised School Code, a log of such releases shall be maintained and kept current indicating:

1. the date of release;
2. record disseminated;
3. method of sharing;
4. agency personnel that shared the CHRI;
5. the agency, and name of the individual at the agency, to which the information was released;
6. whether an authorization was obtained.

A log entry need not be kept if the receiving agency/entity is part of the primary information exchange agreements between the District and the Michigan State Police. A release form consenting to the sharing of CHRI shall be maintained at all relevant times.

If CHRI is received from another District or outside agency, an Internet Criminal History Access Tool (ICHAT) background check shall be performed to ensure the CHRI is based on personal identifying information, including the individual's name, sex, and date of birth, at a minimum.
