Bid Summary:

Dexter Community Schools is soliciting quotes/proposals for furniture for the district. The specifications were developed in conjunction with TMP Architecture, Inc. and are included in a separate Excel file (Vendor Quote DCS Phase 4 Furnishings.xls).

In lieu of a formal RFP, please provide pricing and a proposal. If you are able to quote on some of the furniture, please feel free to submit a bid indicating such. It is acceptable to only bid on the manufacturers to which you have access. Substitutions/alternates will not be considered. Our Architect worked exclusively with the principals and staff to come up with the plan. All pricing is to be entered on the enclosed Excel spreadsheet and submitted in Excel format.

We would like furniture installed the week of June 15, 2020 (this date may change depending on school make up days). Provide alternate installation dates if this week is not feasible. Punch list items must be completed by July 31, 2020.

Bid Requirements:

Bidders/Vendors are requested to submit a bid on any Bid Category(ies) that they are able to supply as specified.

Bidders/Vendors shall submit a digital/electronic copy of their bids to include:

1. Bid Proposal Form (attached as a PDF)
2. Bid Disclosure Statement and Affidavit (last page of this PDF)
3. Pricing entered on the enclosed Excel spreadsheet with per unit prices entered into green highlighted cells for those categories you wish to submit pricing (attached as an Excel file AND PDF)

The Owner and Architect shall not be responsible for any cost or expense the Bidder/Vendor incurs during the preparation of this bid. The Owner reserves the right to hold the bids for ninety (90) days; to accept or reject any or all bids; to omit or accept any informalities in any bid and to make such awards as it considers in its best interest, whether low bid or not.

Should a Bidder/Vendor find discrepancies in, or omissions from the specifications, plans, drawings, details, instructions and bid proposal form, or should the Bidder be in doubt as to the meaning, the Bidder should notify, at once, the Architect who will send written instructions to all appropriate Bidders. The Owner and Architect shall not be responsible for any oral instructions.

The Contract shall be awarded when a Bidder/Vendor has been issued a Purchase Order. After a contract agreement has been executed, the Bidder/Vendor shall not be allowed any sum over and above the price(s) specified in the contract agreement.

Pricing:

Dexter Community Schools is a member of numerous purchasing consortiums, so feel free to provide consortium pricing or better. If pricing is based on a consortium, please reference which consortium and the discount structure (NJPA, National IPA, US Communities, etc.) on Bid Proposal Form and Excel spreadsheet.

All pricing is to include unit price, freight/delivery, and installation. Please enter unit price for each item on the Excel spreadsheet in each green highlighted cell. Freight and installation need to be included as a lump sum at the end of each Bid Category.

Pricing shall include the receiving of furnishings and installation at job site(s). Drop shipping is unacceptable.

All furniture items specified for a Customers Own Material, "COM," covering shall be priced with that covering. The Vendor shall order coverage and have it delivered to the Manufacturer at the appropriate time. The Owner nor the Architect shall be responsible for coordinating the fabric purchase.

Owner reserves the right to add or deduct item quantities from the original specification, up to 10% of the original quantities without any effect on the unit prices submitted.

Installation:

Installation is required.

Any metal files shall be leveled horizontally and plumbed vertically; no bolting necessary.

The Vendor shall identify one person from his installation crew, acceptable to Owner, who shall act as liaison with the Owner and Architect. This person shall have the authority to direct installation changes/modifications.

The Vendor is responsible for removing from the project all the waste materials and rubbish resulting from his operations and installation including all packing cartons and debris. Removal is to occur on a daily basis. Failure to do so will result in the Owner doing so and the cost thereof shall be charged to the Vendor as a deduction in his contract price.

The Vendor shall provide an adequate number of qualified, experienced installers, in harmony with other works at the site.

The Vendor shall obtain and provide any and all permits necessary to complete the installation, billing

the cost directly to the Owner as it occurs.

The Vendor shall be responsible for final cleaning of all the furniture items installed by his crew. All protective materials shall be removed, all surfaces cleaned of dirt, smears, fingerprints, etc. All items are to be prepared for final acceptance by Owner.

The Owner has no preference on union or non-union labor. It is the bidder's choice.

Deliver and Installation Schedules:

Vendor to coordinate delivery and installation the week of June 15, 2020 (or alternate date provided by vendor). This date may change depending on school make up days. Vendor shall guarantee delivery between 7:00 a.m. and 5:00 p.m. The buildings will not be occupied by students. The Owner will not accept early delivery. The Vendor shall work with the Manufacturer(s) and its representative to establish production and delivery schedules in keeping with the dates set above.

It is the Vendor's responsibility to receive furnishings delivered from the Manufacturer and to deliver those furnishings to the job site(s) at the time of installation. Drop shipping is unacceptable and if it occurs, will result in a deduction in the Vendor's contract price in the amount of cost incurred by the Owner or Owner's representative receiving and handling the drop shipment. If a delivery truck is turned away from the installation site by anyone other than the Architect, before leaving the site, a representative from the Vendor, or Delivery Company must contact the Architect to validate the order. If a delivery truck leaves the site without contacting the Architect, the Vendor is responsible for any additional delivery costs incurred.
