SENIORITY

- (1) Seniority
 - (a) A newly hired permanent employee shall be on a probationary status for thirty (30) working days taken from and including the first day a full time position is awarded after meeting the requirements for full time driver or monitor. If at any time prior to the completion of the thirty (30) working day probationary period, the employee's work performance is unsatisfactory, the Board may dismiss the employee during this period without appeal by the Union or probationary employee. In the event that a newly hired permanent employee has already successfully served a probationary period as a driver in Dexter, the probationary period may be waived.
 - (b) Probationary Employees who are absent on scheduled work day(s) shall work additional day(s) equal to the number of day(s) absent, and such Employees shall not have completed their probationary period until these additional day(s) have been worked.
 - (c) Employees shall be laid off and recalled according to their seniority in their classification.
 - (d) An employee will lose their seniority for the following reasons:
 - 1. The employee resigns.

2. The employee is discharged for cause, and such discharge is not reversed through the grievance procedure.
3. The employee retires.
4. The employee is laid off for a period of one (1) year.

(e) Seniority shall continue to accumulate, up to a maximum of one (1) year, within the bargaining unit for an employee who transfers to a supervisory position within the School District that employee having the right to exercise his/her seniority and return to the bargaining unit, in the event that he/she vacates his/her supervisory position. (f) Drivers shall meet and continue to meet all state and federal mandated requirements to maintain certification.

(3) Seniority Defined

Seniority shall be defined by the date a driver is fully certified and legally able to completely perform all functions of a full time Dexter School Bus driver or full time Dexter School Bus Monitor. This is also the date that the driver is able to register for the Beginner Bus Driver Training. If two (2) or more Employees have the same seniority date, the Employee having the first hire date (defined as the date and time on which an employment offer in a classification was extended and accepted), shall be deemed the most senior.

Seniority in classification shall begin to accrue as of the date of entry into that classification, except for a probationary employee, in which case seniority shall only begin to accrue after the completion of the probationary period in that classification, as specified in (2) above. Movement from one classification to another shall not terminate seniority that the Employee has previously accumulated in the other seniority classification under this Agreement, provided there has not been a break in continuous employment. Seniority shall be retained but will not continue to accrue in the Employee's former classification.

(4) Seniority Lists

(a) The Employer shall prepare and maintain a single seniority list, copies of which shall be furnished to the Union and to each Employee by October 15. - (b) The parties agree that the seniority dates mutually recognized and accepted by the Employer and the West Washtenaw Bus Drivers and Monitors Association (for those persons in the Bus Driver seniority classification) as of the date this Contract becomes Official are the seniority dates which were recognized for the purposes of implementing this Article as part of the initial collective bargaining agreement and shall be continue to be recognized for purposes of the development and maintenance of seniority lists under this Agreement.

(5) Military Leave

An Employee on military leave for service in the armed forces of the United States shall be reinstated upon completion of such service to their seniority status in accordance with the applicable laws.

ARTICLE 12

BIDDING, VACANCIES AND TRIPS

(1) Bidding of Runs

- (a) Prior to the start of each school calendar year there shall be an orientation assignment meeting at which attendance by each bus driver/bus monitor is required. Each bus driver/monitor shall be paid actual time for the time required to be present at this meeting, but not less than two (2) hours pay for drivers and two (2) hour pay for monitors. At this meeting, the drivers will be given the opportunity to bid on any runs that have become vacant since the conclusion of the previous assignment meeting. When all of the bids have been received, the Board shall then assign those open runs to the drivers who have indicated their desire to be placed on those runs, based on their seniority within their classification.
- (b) Bus drivers/bus monitors shall be paid at their regular straight time hourly rate for attendance at any other meetings of bus drivers/bus monitors for which attendance is required.
- (c) In the event a regular run vacancy occurs subsequent to the orientation bid meeting and is filled with a non-bargaining unit substitute, there shall be a second bid meeting conducted at the start of the second semester. There will be an end of September bid scheduled the last working day of September to fill any open positions. In the event a regular run vacancy occurs subsequent to the September bid meeting and is filled with a non-bargaining unit substitute, there shall be a second bid meeting conducted in January.

(2) Bus Run Vacancies

- (a) In the event that additional vacancies occur after the start of the school year, such vacancy shall be posted on the employee's bulletin board within five (5) working days from the date of the vacancy, and the employees shall be given five (5) working days time in which to make application to fill the vacancy. The senior (qualified if Special Education Run) driver making application shall be transferred to fill the vacant bus run. Subsequent vacancies occasioned by transfer of the senior driver will be filled by a substitute driver until the next assignment meeting at which it will be posted for bid. To be eligible to fill any Special Education, or Vocational Education vacancy the driver must have signed up on the list at the bid meeting. If you have an absence excused by the Transportation Supervisor and are unable to attend the bid meeting, you may sign the list on the next day you are at work.
- (b) A driver shall be allowed to arrange split coverage of a mid-day Special Ed/ECSE run with the next most senior driver who has continually substituted on a mid-day Special Ed/ECSE run and bids to do so. The drivers involved in split coverage of a mid-day Special Ed/ECSE shall arrange a regular schedule with the Transportation Supervisor. Also each driver shall be responsible to cover for the absences of the other, unless prevented from doing so by reasons justifying absence on authorized leave days. Either driver involved in the split may subsequently decide to discontinue driving on the mid-day Special Ed/ECSE run permanently, and the run shall revert to the remaining driver or be posted as vacant if the remaining driver does not desire to drive entire run. In the event those drivers decline, the run shall then be posted for bidding and filled as prescribed in Section 2 of this Article.
- (c) The Board will make the training required for the transportation of special education students available for all drivers who may have such students assigned to their bus.

(3) New Bus Runs

When a new bus run is created by the Board, such new run shall be posted and the new bus run shall be assigned on the same basis as provided for in Section 2 of this Article.

(4) Posting of Vacant or New Bus Runs

All vacant or newly created bus runs shall be posted in the following manner: the type of work, the starting date, the rate of pay, the bus number, the starting time and the approximate driving time.

(5) Temporary Vacancy

- (a) In the event of a temporary vacancy, due to the absence of a regular driver, such temporary vacancy shall be filled by a substitute bus driver. Temporary vacancies are deemed to be temporary as long as the regular driver is off the job, but is due or scheduled to report back to their regular run.
- (b) Any mid day runs needing to be subbed for more than five (5) work days shall be offered for seniority bidding. When it is determined that the regular driver will not be returning to their run

or runs, those runs will then be considered to be vacant, and will be filled as specified in Section 2 and 7 of this Article.

(6) Establishing Runs

Nothing in this Article shall be interpreted as infringing upon the Board's right to determine all runs, the bus to be used on all runs, or the right to periodically adjust all runs.

(7) Driver Substitute List

- (a) The assignments of regular drivers as substitute drivers for Special Education, Voc-Ed or ECSE run of five days or less, shall be on the basis of seniority and shall be rotated among all drivers who have signed up for such runs prior to them being assigned to substitute employees, provided the substitute run does not conflict with the driver's regular run. The assignments of regular drivers as substitute drivers for Special Education runs, and Voc. Ed. shall be on the basis of seniority and shall be rotated among all drivers who have signed up for such runs. Drivers may sign up for such runs at each designated Bid Meeting. One list will be posted and maintained for the drivers interested in performing the above duties. These substitute driver assignments shall be limited to those runs which will provide an employee an increase in earnings and does not conflict with current routes. Trading an employee's regular run for a substitute run of equivalent time will not be permitted.
- (b) Any regular driver on the Special Education, Voc-Ed or ECSE substitute roster who refuses more than six (6) substitute assignments in each category they choose to substitute on, without a valid excuse, in each category will be removed from consideration for vacancies under Section 2 and/or 3 for the remainder of the school year.
- (c) In the event an employee removes his/her name from either the Special Education, or Voc-Ed roster category on the list, they will not be considered to fill any vacancy under Section 2 and/or 3 for the remainder of the school year.

(8) Field Trips

- (a) Field trips of at least one (1) hour duration shall be divided and rotated equally according to seniority among all regular bus drivers. The assignment for extra runs will be made by the Transportation Supervisor the Friday of the week prior to the week that the extra run is scheduled to be made. Drivers who wish to drive the extra trips shall indicate to the Transportation Supervisor as to their intentions weekly, in order that the assignments can be made. The Transportation Supervisor shall then continue to rotate the entire extra trips among all of the drivers as described in the paragraph above. The Transportation Supervisor shall furnish the driver who is assigned a field trip written instructions as to the map route and any directions that would be beneficial to that driver. In the event that an assigned field trip is cancelled for any reason, that effected driver shall be placed on the cancellation list and offered the next available trip, regardless of field trip rotation seniority or the length of the trip. Payment for field trips shall be

in accordance with the Trip Price made by the Transportation Supervisor and the Union President, or their designees.

- (1) In the event a scheduled field trip is cancelled and the driver has begun service where the total trip time is less than 2 hours, they will be placed on the cancellation list. If the total time earned is 2 hours or more, they will not be placed on the cancellation list they will be paid for time worked.
- (2) If there are multiple buses requested for a fieldtrip and there is a cancellation, the last bus requested will be cancelled. If multiple buses are requested and one is a special needs bus, the special needs bus will be placed last on the trip list.

- (b) The rate of meal allowance is included in the Trip Price.
- (c) The bus driver must remain with the activity group at the field trip site unless authorized or directed to leave for purposes related to the proper functioning or operation of the bus or the activity. The bus driver shall be permitted up to 1 hour to obtain a meal while on the field trip at regular meal times (lunch and dinner and breakfast), while maintaining contact with the person in charge of the field trip.

The meal must be obtained at a restaurant, cafe or fast food establishment (not a bar, tavern or lounge) within close proximity to the site of the activity and the bus driver must return to the site promptly upon completion of the meal. If the activity group is to have a meal as part of the trip, the bus driver shall take his/her meal at the same time and place. No time shall be deducted from the bus driver's pay for the time involved in obtaining and consuming the meal in compliance with this provision. The bus driver must respond immediately to an emergency or other conditions requiring bus service regardless of any provision contained herein.

- (d) The Board shall post on the bulletin board a seniority list for all of the employees who desire to drive summer trips, and shall rotate the assignment of all such drivers based on their seniority.
- (e) Drivers interested in driving buses for purposes other than student transportation shall be rotated among drivers on Field Trip list.
- (f) A driver turning in a trip shall be penalized from acquiring additional trips until the conclusion of the next Monday through Sunday period by being ineligible to take trips, with the exception of approved funeral leave.
- (g) Employees shall be allowed to work as substitute employees for other positions in the District provided that the time worked as a substitute is through EDUStaff or outside contract agency. (If the substitute is employed through Dexter Community Schools, the total combined time worked as a substitute and as a bus driver (regular runs and field trips), does not

exceed forty (40) work hours per week. This provision does not limit an employee from receiving overtime for their regular duties, but does restrict employees from working as substitutes if such time would cause the District to pay overtime. Both parties agree that Transportation Employees who are employed by an additional agent(s) for the District shall not work enough time, through any means or combination of hours, that results in the District have to pay the Transportation Employee overtime.

(9) Summer Runs

The district shall post a list of drivers interested in summer runs. The vacancies will be filled from interested driver lists by seniority. The next senior driver will be notified that they will be the substitute driver if needed. Any employee bidding on a summer run must be available to drive a summer run. Drivers who work summer runs of more than 26 work days shall receive 24 hours paid vacation provided they have worked a minimum of 1200 total hours during the preceding school year, and complete 90% of scheduled summer run hours. To be eligible for the 24 hours of vacation time, the driver must work the first and last week of their scheduled summer route. This vacation must be taken when school is not in session. All summer monitor work will be assigned to monitors on a seniority basis. The next senior monitor will be notified that they will be the substitute monitor if needed.

ARTICLE 13

ELIMINATION OF A BUS RUN

(1) Elimination of a Bus Run

Whenever it is determined by the Board that it is necessary to eliminate an entire run, the affected employee shall have the right to exercise their accumulated seniority and bump a lesser seniority employee within the classification, in order that the affected employee would be able to maintain the same number of runs. Any additional employees who are bumped would also be able to exercise their seniority in the same manner. The employee whose run is eliminated, or who is bumped, but does not have enough accumulated seniority to displace another driver shall be laid off.

ARTICLE 14

DISCIPLINE ACTION AND DISCHARGE

- (1) Dismissal, suspension and/or any other disciplinary action shall not be for reasons that are arbitrary and capricious, with the employees having the right to defend themselves against any and all charges.

Board feels disciplinary action is warranted, the Board must notify the employee in writing that a disciplinary investigation is under way within fifteen (15) working days of the occurrence of the condition giving rise to the investigation, or within fifteen (15) working days of the date that it is reasonable to assume that the Board first became fully aware of the conditions giving rise to the investigation. The investigation shall be conducted with dispatch, and disciplinary action shall be taken promptly at the conclusion of the investigation, when warranted.

Among the causes which shall be deemed sufficient for dismissal, suspension, and/or disciplinary action shall include, but not be limited to the following: drunkenness, dishonesty, insubordination, theft, moral turpitude, and willful or repeated violation of the Board's rules which shall be made known to the employee.

- (2) An employee may be dismissed, suspended or disciplined pending investigation, and if the dismissal, suspension or disciplinary action is found to be totally without justification, the employee shall be reinstated with full back pay, full seniority rights, and all fringe benefits that the employee would have earned during the dismissal or suspension period. If the dismissal is sustained, or the suspended employee is not reinstated through the grievance procedure, the employee shall be deemed dismissed as of the date such action was taken.
- (3) The Union, with specific written consent of the employee, shall have the right to review the personnel file of an employee within the bargaining unit, upon making the request to the Administration of the School District. An employee, upon making request, shall have the right to review the contents of their own personnel files maintained by the Board. - (4) This article shall not apply to probationary employees.

It is expressly agreed by the parties that the Board is not liable for the health and welfare of the unborn child during the time the employee continues to work during her pregnancy.
- (e) The reinstatement rights of any employee who enters the military service of the United States by reason of an act or law enacted by the Congress of the United States, or who may voluntarily enlist during the effective period of such law, shall be determined in accordance with the provisions of the law granting such rights.
- (f) Leaves of absence will be granted to employees who are active in the National Guard or a branch of the Armed Forces Reserves for the purpose of fulfilling their annual field training obligations, provided such employee(s) make written request for such leave of absence immediately upon receiving their orders to report for such duty.

No more than one such leave will be granted at the same time, except in case of a compelling emergency.

(2) Leave Administration
