

## Notice of Reconstructive Benefits Following Mastectomy

The Women's Health and Cancer Right Act of 1998 mandates that a participant or eligible dependent who is receiving benefits, who elects breast reconstruction in connection with the mastectomy, will also receive coverage for:

- Reconstruction of the breast on which the mastectomy has been performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Protheses and treatment of physical complication of all stages of mastectomy, including lymph edemas.

These services are subject to the same annual deductible, coinsurance and/or copayment provisions otherwise applicable under the Plan.

If you have any questions, please contact your insurance carrier.
