December 18, 2015

Dear DCS Community,

The excitement in the buildings this week is contagious. The students are having a great week and everyone is ready for some quality, memory-building time with their families. On behalf of Dexter Community Schools, we wish all of you a wonderful Holiday Season and a Happy New Year.

As 2015 comes to a close, I'd like to thank all of you for your continued support of our kids and our school district. Recently, a group of parents formed a fundraising entity named Excellence 4 Dexter Students (E4DS). E4DS is actively helping support our students and our school district through local donations. For more information, please visit <http://www.e4ds.org/>. In addition, the Education Foundation of Dexter (EFD) continues to fund grants for our schools and is an important partner in educating our students. For more information on the EFD, please visit <http://www.efdexter.org/>. We are so fortunate to have such support from E4DS and the EFD and everyone who donates to these important partners.

I'd also like to thank all of our parents, students, and teachers for making Dexter Community Schools the highest performing school district in Washtenaw County. Yesterday, the Michigan Department of Education released last spring's M-Step results. We are happy to report that Dexter students are overwhelmingly the highest performing students in Washtenaw County! This is a direct reflection of the commitment our parents, teachers, administrators, community and staff have to the success of our kids. We have amazing kids and they continue to excel with all of your support.

2015 was a great year at DCS and 2016 has the makings of being even better. Thank you for your continued support, Happy Holidays, and Go Dreads!

Sincerely,

Christopher Timmis, Ed.D.
Superintendent
