August 11, 2016

Dear DCS Parents and Students,

As summer camps wrap-up and fall sports get into full swing, I have a few quick pieces of information to share and a request for help. Last week, we released our summer electronic newsletter, which contains important updates and information on the district:

http://www.dexterschools.org/uploaded/district/district_mailings/DCS_Summer_News_2016compressed.pdf

Meanwhile, we need your help. We're currently in need of a few more host families for international students. Last year, my family hosted an international student who attended DHS and it was a great experience. This year's cohort of students includes (all high school students):

- Clark: He's studied English since Primary school and won 2nd place in a national writing contest.
- Leo: Attended DHS 2nd semester last year, in an accomplished musician (piano and violin), a wonderful student who loves math.
- Bert: He's studied English for the past 5 years, wants to be a civil engineer or an architect.
- Adrian: Enjoys reading...his favorite subjects are literature and history.
- Eric: Likes to ski, has studied English for the past 9 years and enjoys traveling.
- Mia: Very good academic student, loves her family and enjoys traveling.
- Kris: Likes movies, drawing, and swimming and is a huge Lord of the Rings fan.

If you are interested in hosting one of our international students, please contact Kim Covert at covertk@dexterschools.org.

In addition, we need bus drivers and paraprofessionals for the school year. If you know of anyone who enjoys working with kids and would be a great addition to DCS, please have them contact our Human Resources Office at <http://www.dexterschools.org/page.cfm?p=520> or by calling 734-424-4104.

Thank you for your continued support, have a great summer, and Go Dreadnaughts!

Sincerely,

Christopher Timmis, Ed.D.
Superintendent
