May 5, 2016

Dear DCS Parents and Community,

Tuesday was a great day for Washtenaw County students! Our community's commitment to kids makes Dexter a wonderful place to live and raise a family. Thank you to everyone for your continued support.

As we wrap up the school year, we are planning toward next fall. We're currently in the process of building our budget, creating student schedules, and working on new learning opportunities for students. In addition, we are beginning our process of finding host families for our exchange students who attend Dexter High School.

This year, my family opened our home to an international student who is attending Dexter High School. He is an outstanding young man and we have enjoyed having him be part of our family. It has been a wonderful experience. We only have a few weeks left and will miss him very much when he flies home for the summer.

As part of our international programming opportunities and partnerships, we are in need of host families for next year. If you are considering opening your home and hosting an international student next fall, DCS is holding an information night on May 10<sup>th</sup> from 6:30 – 8:30 p.m. in the Dexter High School Media Center. Please contact Kim Covert at [covertk@dexterschools.org](mailto:covertk@dexterschools.org) or 734-424-4100 ext 1401 for more information.

Thank you for your continued support of Dexter Community Schools and Go Dreadnaughts!

Sincerely,

Christopher Timmis, Ed.D.  
Superintendent
