

DEXTER COMMUNITY SCHOOLS

Fri, Apr 17, 2020 at 4:48 PM

Dear DCS Students, Parents, and Staff,

Thank you to everyone who was able to join us for the virtual community forum last night. During the forum, we reviewed the [DCS Continuity of Learning Plan](#). The summaries of the [parent](#) and [student](#) surveys used to create the plans are included in the plan and in this letter. During the forum, we utilized three interactive surveys. Please take a moment to let us know your thoughts on any or each of the three following questions:

- [What has the district done thus far that has been most helpful to you, your family, and/or your child\(ren\)?](#)
- [What is working well and what do you need from DCS in supporting your children?](#)
- [What are some important things for DCS to consider as we review and revise our plan throughout the next two months?](#)

Thank you to our DCS Tech Team: I'd like to thank our technology team and building teams for an incredible week of passing out technology to students. As of today, we've passed out over 1800 devices to DCS students to help us remotely support students.

Young 5's Technology Pickup is scheduled for Tuesday, April 21st from 9 a.m. - 11 a.m. at the Dexter Early Elementary Complex. Please be sure to fill out the [Parent Receipt and Responsibility Form](#).

Camp Dexter 2020 and After Care 2020/2021 registration is currently open. Detailed information is available on the [Community Education website pages](#). Registration forms and enrollment fees should be mailed to the Community Education office.

US Census Reminder: We've been asked to remind families to fill out the [US Census information](#).

Social, Emotional, and Mental Wellbeing Resources for Parents, Students, and Educators: Two quick resources for families, students, and educators are available through [Michigan Cares](#) and through [HeadSpace](#). Please take a moment to check out these resources to support yourselves and your families.

Thank you for your continued support and Go Dreads!

Sincerely,

Christopher Timmis, EdD

Superintendent
