March 15, 2019

Dear Dexter DCS Families and Staff,

I'm writing to update you on a change to our school calendar for this school year. As a result of the number of snow, ice, windchill, water main, and/or power outage days DCS experienced this school year, we are required to make-up time. We were fortunate to receive a waiver from the Michigan Department of Education that reduced the number of days DCS must make-up to only one.

We've rescheduled Friday, May 24th as a school day for students. The school year will still end on Friday, June 14th and our seniors will continue to follow the initial calendar for their last day, commencements, etc released at the start of the school year.

Thank you for your patience with us this winter, for your continued support, and Go Dreads!

Sincerely,

Christopher Timmis
Superintendent, Dexter Community Schools
