DEXTER COMMUNITY SCHOOLS

March 19, 2020

Dear DCS Parents,

In yesterday's communication, I referenced a countywide approach to Engaging and Enriching our students during the shutdown. Attached is that update.

As part of our planning work, we will be sending out a survey tomorrow to identify the broadband access and technology access for our students throughout the district. The survey will be extremely brief and we really need your help in the response as soon as you receive the survey. In order to reach the entire district, we will send the survey through multiple mediums. Since the survey is seeking to identify the number of households with broadband and technology access, we will utilize more than just email for the survey. I apologize, in advance, if you are contacted multiple times for the same survey. Please only take the parent/student survey once.

Thank you for your continued support and Go Dreads!

Sincerely,

Christopher Timmis, EdD

Superintendent
