News and Notes from DCS Superintendent Chris Timmis

## Safety Update

September 13, 2019

September 13, 2019

Dear Dexter Families,

Recently, the District was alerted to allegations of inappropriate conduct allegedly perpetrated by a local business owner. Ensuring student safety is always our highest priority. We immediately investigated the situation and have been in continuous contact with the Washtenaw County Sheriff's Department. As a school district, we banned the individual from school property, as well as athletic and extracurricular activities. This is the maximum action we can take in this situation.

Stories and rumors have begun to circulate and the media outlets have been covering the story. Contacts from the media have requested documents regarding the ban from our facilities and we released the documents, as required by law, in response to their FOIA requests.

As always, thank you for your support in ensuring student safety, which remains our number one priority.

Sincerely,

Christopher Timmis  
Superintendent, Dexter Community Schools
