

DEXTER COMMUNITY SCHOOLS

November 4, 2019

Dear Dexter Families and Community Members,

Dexter Community Schools has been actively working on the successor Strategic Plan to our current [Strategic Framework from 2015-2020](#). DCS engaged KnowledgeWorks last fall to assist with this process. Over the past year, we've conducted a districtwide community survey, numerous focus groups, classroom visits, and sessions with leadership, teachers, Board members, and community members. The process we've followed is provided in the graphics below:

On **Tuesday, November 12th at 6:00 p.m.** in the **Creekside Innovation Room**, we will be hosting a community meeting for parents and community members focused on the following two goals:

- To build clarity and collect input/feedback on the initiatives and action plans identified with the teacher groups, leadership groups, and community groups. We will work from the initiatives and action plans, as they currently stand.
- Determine the roles and responsibilities from the parent/community level with respect to the strategic plan.

We hope you can join us, thank you for your continued support, and Go Dreads!

Sincerely,

Christopher Timmis, Ed.D

Superintendent
