

February 27, 2020

Dear DCS Families and Staff,

All evening activities at DCS facilities are canceled for today, Thursday, February 27th. This includes Community Education Activities, Middle School Athletics, and Community Meetings. DHS Varsity Hockey Districts will still be played as they are an MHSAA district contest.

The Reproductive Health Curriculum Community Information Session is also canceled and is rescheduled for Thursday, March 12th from 6:00 - 7:00 p.m. at Creekside Intermediate School Room 311. Attached to this email is a current FAQ document regarding the Reproductive Health Proposal. As a clarification, there will not be a second hearing or DCS Board Discussion regarding the Reproductive Health Proposal until after we have the opportunity to hold the community session on March 12th and have time to review the questions asked from community members at that session.

Several parents have inquired regarding any information we may have or an update regarding the Coronavirus. A [Coronavirus Fact Sheet](#) from the Washtenaw County Health Department and an update from the Washtenaw County Health Department are attached to this email. This is the most current information we have and we will continue to keep you updated with the guidance we receive from the Washtenaw County Health Department and Michigan Department of Education.

Thank you and Go Dreads!

Sincerely,

Christopher Timmis, Ed.D.  
Superintendent
